The Amerikids mission is to build core values in the youth of Chester County including girls of all backgrounds and abilities in grades 5 through 12. We develop skills that make a difference in their lives and the lives of others. Amerikids accomplishes this by providing a program that celebrates citizenship through service and song via community outreach, service projects, performing and by providing instruction & exposure to music and entertainment. Amerikids strives to continue our 32-year heritage to reach more youth and instill the same sense of civic pride, patriotism, confidence and responsibility that our graduates have been able to transform into life and career skills.

The Amerikids group is comprised of students from 12 area schools that have performed at retirement communities, Veteran's Day events, and community festivals. This year we have sent over 2,000 letters to our troops overseas, packed food for STOP Hunger Now! and collected toys for the Marine Corps Toys for Tots program.

The Amerikids have been in existence for 32 years continuing their message of "SERVICE AND SONG...ALL YEAR LONG!"
