

On Oct. 15, Willowdale Chapel welcomes Andy Crouch, author of the acclaimed book, *The Tech-Wise Family: Everyday Steps for Putting Technology in Its Proper Place*. How do we help our kids and teens navigate a world where everything is available to them at the push of a button? And how do we help ourselves navigate those same waters? Crouch will shed some light on these questions at this special Navigating the Next Generation event, which runs from 6 to 8 p.m. on the Kennett Campus.

FREE and open to the public. Childcare is available.
