

URA Basketball Registration CLOSING SOON

URA Basketball is open to all Boys and Girls Grade K-12. URA Basketball is a recreational program - everyone makes a team, no one gets cut. The season begins in Mid-November, games will start in early December and will end just prior to Spring Break.

Time commitment is dependent on overall program registrations. Last season, Games were played on Saturday or Sunday depending on division with practices held during the week. Teams typically practice 1 night per week. The boys 10-12 grade division plays games only.

Last season, URA Basketball eclipsed 1200 participants. This season, due to space limitations, registrations in each division will be limited. Please register early to reserve your space.

When registering, please verify the division you are registering for and the school grade effective Fall 2017 for your child is accurate! Players are placed into divisions by their school grade.

As always, Girls are welcomed to register for "Boys" divisions. We have had a number of girls do so in the past. Additionally, if you feel your child would benefit from "playing up" to a higher grade level, feel free to register as such.

Costs

K-1 = \$75 per player

All other grades - \$130 per player (registered players after 2 per family are free)

PLEASE DO NOT MAKE COACH OR TEAM PLACEMENT REQUESTS AT THIS TIME

Please use this link to immediately register online for the 2017/2018 Season
