

UTHON

What is Mini-THON and Four Diamonds?

The mission of Four Diamonds is to conquer childhood cancer by assisting children treated at Penn State Milton Hershey Medical Center and their families through superior care, comprehensive support and innovative research. Each year, Four Diamonds provides direct support to approximately 600 children with cancer – 100 who are newly diagnosed and 500 who are continuing their fight. Four Diamonds supports a diverse platform of childhood cancer research at Penn State Hershey Children's Hospital; seeking improved treatments and cures to benefit those around the world. The Four Diamonds Mini-THON is a leadership development program that inspires teamwork, creativity and school spirit, while empowering young people through philanthropy and community service in the fight to conquer childhood cancer.

Our Achievements in Mini-THON and Goals for 2017/18

Unionville High School has joined hundreds of schools and Four Diamonds in the movement to conquer childhood cancer by hosting a twelve hour Mini-THON on April 14, 2018 from 7pm to 7am. This coming year will be our third year involved in the cause. We have raised just over \$14,000 in each of our first two years. Our fundraising goal for 2018 is \$20,000! This inspiring event is driven by students and we hope you join us in the fight for the kids!
