

### The Unionville Ice Hockey Club

The Unionville Ice Hockey Club is doing two main fundraisers to help raise awareness about the club and raise money to offset equipment costs and fees.

This weekend, October 28th, the Hockey Club members will be washing cars at Landhope farms. Please come on by to get your car washed!

The second fundraiser is our beautiful Holiday Wreath Sale. The wreaths are BEAUTIFUL! They last a long time, are of great quality, and really look magnificent! So, if you are planning on having guests for Thanksgiving or just love decorating for the holidays, please consider purchasing a wreath. You can click on this link to start shopping:
