

The Young Company is a brand-new, two-week summer day camp program for children ages 10-15 who are interested in theatre. Founded in by professional artists and educators, students will take classes, develop new skills, and build lifelong friendships while working towards the creation and performance of an original showcase. Whether you're a class clown, a drama club all-star, or need a confidence boost to get you out of the wings, our instructors will have you playing games, laughing, singing, dancing, acting, designing, and making friends in no time.

Sample Day

Camp begins at 9 am and ends at 4pm, Monday – Friday. During the mornings, students will take classes in acting, voice, dance, improvisation, and design. During the afternoons, students will create and rehearse an original showcase performance that will highlight their work in each course area. The final day of camp will include this performance for friends, family, and loved ones. All classes and performances will be held on the campus of West Chester University at the E.O. Bull Center.
