Thank you for considering, your support is much appreciated!

We are often asked by families how they can help support the Middle School staff. Unfortunately cold and flu season is still going strong. If you choose to donate, your student can either bring the boxes of tissues directly to their CREW teacher, or to the SMS front office and we can distribute to staff on your behalf.

Thank you for considering, your support is much appreciated!

**Wellness Day – Volunteers Needed**

This year we will be having our Wellness Day on Thursday, May 16, 2019 and are looking for people who are willing and able to participate during the school day hours (8:30am until 2:00pm)!

We are in search of people who would like to volunteer to help out with some activities during the day. If you are interested in being a part of our annual Wellness Day, please fill out the form found here. If you have any questions, please contact Meredith Swartzendruber (mswartzendruber@scarboroughschools.org) or Shelly Tsujiura (stsujiura@scarboroughschools.org).

Thank you ~ The Wellness Day Committee
On April 11, the 6th grade community had the opportunity to talk with a real glacial geologist!

Alice Doughty, PhD, aka "Dr. Alice" spoke with all of our science students about her experiences studying the effects of global warming on glaciers in Antarctica, Uganda, New Zealand, and parts of Europe.

Students had the opportunity to ask her questions and "try out" some of her outdoor gear, as well as, look at various types of rocks.
